Nearly \$400,000 Stolen from Memphis Area Charter School

Three Former Memphis Academy of Health Sciences Leaders Indicted

An investigation by the Tennessee Comptroller's Office, working in conjunction with the Tennessee Bureau of Investigation, has resulted in the indictments of Corey Johnson, Robert Williams, and Michael Jones. All three men held leadership positions at the Memphis Academy of Health Sciences (MAHS)

charter school within the jurisdiction of the Shelby County School System. MAHS serves students in grades 6 through 12.

Investigators determined the three former leaders misappropriated a combined \$398,365.27 from the school between July 2015 and February 2021. This amount in-

cludes the following:

Former Executive Director Corey Johnson stole a total of at least \$337,955.13 from the school. Johnson used school debit cards, checks, wire transfers, and cash withdrawals to benefit himself. His \$253,863.33 in per-

Brennan Henry, 24, Georgetown Lane CHATTANOOGA, was charged with Man/Sell/Del/Resale Sch. II x2, IV, VI, Poss. Of Drug Para., and Traffic Control Device.

James Corn, 24, Hickory Valley Road Chattanooga, was charged Man/Sell/Del/Resale Sch. VI x2, Sch. II x2, Poss. Of Drug Para., and Traffic Control Device.

Officer A. Lee LCPD, was conducting routine patrol when Officer observed a Toyota 4runner, bearing TN tag: 9Z5-5Z5, fail to yield to the traffic control device, a red light. The vehicle proceeded straight through the intersection until nearly striking a curb. During the traffic stop Officer made contact with the driver, James Corn, and passenger, Brennan Tucker. Both

subjects advised they were going to Knoxville from Chattanooga. During the encounter Officer could smell a strong odor of marijuana emitting from the vehicle. During a search of the vehicle, Officer located approximately 80 Xanax pills (pieces), 21.19 grams marijuana, 5.41 grams of white rock/powder substance, & .40 grams of crystal substance. In furtherance of the lawful search,

Officer located digital scales and several small baggies believed to be used by the Offenders for the sell and/or delivery of these dangerous drugs. Several of the illegal substances located were separated into smaller quantities for resale. James Corn admitted the marijuana in the vehicle was his but states the rest of the substances located were the

passengers.

Brennan states all of the items found in the vehicle were the drivers. However, the illegal drugs and items of paraphernalia were found on both the drivers and passenger areas of the vehicle. Both subjects admitted to smok-

ing marijuana prior to our encounter. Due to all the above, both subjects were taken into custody and transported to the Loudon County Jail without further incident.

All the above did occur in Lenoir City, Loudon County, TN.

sonal purchases included Las Vegas trips, NBA tickets, a hot tub for his home, and a variety of personal items and services. Johnson also received \$84,091.80 in unauthorized compensation including stipends, bonuses, duplicate and additional payroll payments, and salary payments that exceeded his contracted amount. His employment was terminated on December 3, 2019.

Former Finance Director Robert Williams received improper payroll payments totaling at least \$35,295.95. Williams collected duplicate salary payments, excessive stipends, and a questionable buy-back vacation payment. His employment was terminated on February 12, 2021.

Former Nutritional Services Director Michael Jones stole at least \$25,114.19 from the school. This included \$21,586.05 in unau-

thorized food purchases for himself. Jones bought food including shrimp, crab legs, ribeye steaks, salmon, catfish, and lobsters – food that is typically not served to students. He also used school funds to pay \$3,528.14 for auto repairs on his and another school employee's vehicles. His employment was terminated on September 28, 2020.

Comptroller investigators have also questioned another \$400,521.45 in disbursements that were authorized by Johnson and Williams. These disbursements are further detailed in the investigative report.

In November 2021, the Shelby County Grand Jury indicted Corey Johnson on one count of theft over \$250,000 and one count of theft over \$10,000; Robert Williams on one count of theft over \$250,000; and Michael Jones on one count of theft over \$10,000 and one

count of theft over \$2,500.

"These thefts were carried out over a period of four and-a-half years without scrutiny by the MAHS Board of Directors," said Comptroller Jason Mumpower. "Board members have a duty to uphold the integrity and ethics of the organization under their oversight. Each board member has a fiduciary responsibility to ask tough questions, perform due diligence, and establish clear policies and internal controls

related to financial activities."

Kevin Hutton, 33, Everett High Road Maryville, was charged with Domestic Assault. Officers with LCPD, were dispatched to a domestic complaint at Kingston Street. Dispatch advised a female showed up at the caller's residence and had him call 911. She'd just been in a domestic down the road with her boyfriend. Upon arrival, Officer made contact with the complainant/victim. She and her "Fiance" Kevin Hutton were helping friends move at Kingston Street. They'd got into an argument about past relationships while they were broken up. Victim wanted to be honest with him and told Kevin that she'd slept with her cousin while they were apart. Kevin became irate and slapped victim in the face. Later, while they were sitting on the couch. They started arguing again. Kevin slapped her in the face again. There was a witness who saw the second assault. She was in the living room when

it occurred. Victim and Kevin went outside and continued arguing. Kevin threatened to kill her. She took off running up Kingston Street to get away from him. She knocked on random people's houses seeking help. That's when she made contact with the caller at Kingston Street, who called 911. Officer saw victim had a 2 inch cut on her forehead. It appeared to be a few days old. Victim said Kevin threw a can at her as it struck her in the head a few days ago. She stated there's been a lot of history of physical domestics between the two. Officer Pistole and Eldridge went to the residence where the assailant was at. He was very uncooperative, verbally combative, and wouldn't write a statement about what occurred. Victim mother came and picked her up from the location. Due to Kevin being the primary aggressor. He was arrested for Domestic Assault and transported to the Loudon County Jail.

and outer aspects. Emotions could get intense, but your grounded perspective helps you see through the situation. Spend time cooking up a great meal for those you love. If you don't feel like cooking, splurge on a good meal at your favorite restaurant.

Capricorn 12/22-01/19
You may be uncomfortable with the emotional intensity that's likely to seep into every part of your day. You may wonder what the big deal is and why people are so hopped up over nothing. Perhaps this is your cue to take things more seriously and act with more sensitivity. Your detachment can be an asset, but it could be your biggest enemy on a day like this.

Aquarius 1/20-2/18
There's intensity in your relationships now, and you may feel like every situation is life-or-death. Calm those voices in your head. Meditate, take a yoga class, and breathe deeply. Know that nothing is really as dramatic as it seems. This, too, will pass. In a few days you'll be able to laugh your worries away.

Pisces 2/19-3/20
You may feel weighed down by the emotional pall hanging over everything. Don't let this feeling overwhelm you, although at times this may be impossible. A good friend could call on you for help and emotional support. Don't end up turning the focus around and talking only about your experiences. Loyalty and compassion are keys for today.

Aries 3/21-4/19
Whatever you do, infuse it with passion. You tend to overanalyze things when you should follow your intuition. You know in your heart which way to proceed and how to treat the people around you. Don't try to force the situation or manipulate it into something it isn't. This is a wonderful day. You have a chance to share yourself with others. Receive the love and understanding you deserve.

Taurus 4/20-5/20
Dive deep. This isn't a day to stay in shallow waters. This is a day to go beyond your normal limits. Although there may be a great emotional charge accompanying everything you do, let this be the excitement that fuels your passion and not the reason to stop. Getting started may be tough, and you may want to spend the day in bed. Once you get going, it may be hard to slow down.

Gemini 5/21-6/20
You may think only advanced surfers can handle the big waves. But how are you going to improve your ability if you don't test your limits? This is your day. Take control and push beyond your boundaries. You'll find validation. This is one of your fantastic "up" times when you're glowing with passionate radiance that showers light on the rest of the world.

Cancer 6/21-7/22
Finding solutions won't be hard, thanks to your detective side today. You may feel like the real truth lies below

the surface. At times you're tempted to skip along the top of things without really considering what's going on below. Today it's a completely different story. Turbulent feelings and intense emotions from the depths of your soul are the hot topics of concern.

Leo 7/23-8/22
If something is good, it's likely to feel like utopia. If something is bad, it's like the end of the world. There's no middle ground. This is a day of emotional extremes. You feel like you're giving it all or nothing. This is a climactic time for you. Work with the energy at hand rather than try to resist it. Tap into your emotions and use them to your advantage.

Virgo 8/23-9/22
Move away from the problems instead of stepping into them. You may not be able to see the potholes, so consider taking another road. Don't waste time falling into a hole you can avoid. It may be difficult to deal with your emotions because your usual way of dealing with such intensity

is to push it away, ignore it, and operate on a cerebral level. This attitude won't serve you today.

Libra 9/23-10/22
This is a terrific day in which you'll be able to cut through the falsehoods and get to the essence of the issue. Don't waste your time on superficial conversations and situations. Your energy is too valuable to spend on those who can't see the deeper meaning. Meditation, intense conversation, and passionate love are in store today. Embrace the sensual, sensitive being within.

Scorpio 10/23-11/21
There's a terrific intensity to today that may have you running for cover. You may be tempted to say your peace and run for the hills. Your self-confidence may not be at its strongest, and you may feel as if other people are looking to find fault with you. Remember that you're living this life for you and not for someone else. You make your own rules and set your own standards.
